This paper is believed timely filed since this paper is also a Request for an Extension of Time of four months to and including October 2, 2001. The Commissioner is hereby authorized to charge payment of the fee for an extension of four months (\$1390) and the surcharge under 37 CFR §1.16(e) (\$130) to Deposit Account No. 16-2480.

Applicant respectfully requests the Office of Initial Patent Examination's Division to review the documents as filed on January 11, 2001. Applicants believe the Declaration was included in the documents as filed, attached to the copy of the parent patent application, as evidenced by the date-stamped returned postcard (a copy of which is enclosed as Attachment D) and by entry #2 of the transmittal letter (a copy provided as Attachment E). Should the Declaration as filed be found, then Applicants request that the Notice to File Missing Parts be voided and, in that case, this response does not authorize charges to the cited Deposit Account.

Please date stamp and return the accompanying postcard to evidence receipt of these documents.

Respectfully submitted,

A handwritten signature in black ink that reads "Gloria L. Norberg". The signature is fluid and cursive, with a long horizontal stroke at the end.
